

**AMENDMENTS TO THE DRAWINGS**

The attached sheet of drawings includes changes to FIG. 1. This sheet, which includes FIG. 1, replaces the original sheet including FIG. 1.

Attachment: One Replacement Sheet

### **REMARKS**

In the October 19, 2007 *Ex Parte Quayle* Action, it is indicated that this application is in condition for allowance except for formal matters.

#### **I. Status of the Claims**

Claims 1-40 are previously canceled without prejudice or disclaimer.

Claims 42 and 43 are amended without the introduction of new matter.

Claims 41-43 are pending.

#### **II. Status of the Drawings**

The drawings are objected to as failing to comply with 37 CFR 1.84(p)(5). Specifically, the Office Action indicates that the drawings include the references S1109 and S1206, which are not mentioned in the description. In response, the Specification is amended to include descriptions with respect to S1109 and S1206.

Further, the Office Action indicates that the drawings do not include the references SW1 and SW2, mentioned in the description. In response, FIG. 1 is amended to include the reference signs SW1 and SW2.

Accordingly, Applicant respectfully submits that the objections are overcome and requests the withdrawal of the above objections.

**III. Status of the Specification**

The disclosure is objected to because of the informalities. In response, the disclosure is amended to address the informalities relating to element S304 noted in the Office Action and further amended to clarify elements S1109 and S1206, as noted above. Accordingly, no further objection on that basis is anticipated.

**IV. Objections to the Claims**

Claims 41-43 are indicated as allowable if informalities of claims 42 and 43 are corrected. Applicant acknowledges with appreciation the indication of allowable subject matter. In response, claims 42 and 43 are amended to address the informalities noted in the Office Action. Accordingly, no further objection on that basis is anticipated.

**CONCLUSION**

In view of the above amendments, Applicant respectfully submits that, by this submission, all the outstanding formal matters are satisfied, and the application is hereby placed in condition for allowance. Accordingly, the Examiner is respectfully requested to pass this application to issue.

**AUTHORIZATION**

The Commissioner is hereby authorized to charge any additional fees which may be required for consideration of this Response, or credit any overpayment to Deposit Account No. 13-4500, Order No. 1232-5780. A DUPLICATE COPY OF THIS SHEET IS ATTACHED.
